

Panhandle Library Access Network

Five Year Plan – Fiscal Years 2019/2020 through 2023/2024

Vision: PLAN is a vital and innovative library network that enables its members to deliver the highest quality services and programs to their communities throughout the Florida Panhandle. It provides a collaborative platform for members to share information, resources, and expertise. PLAN members are engaged, active participants and contributors. PLAN works with other organizations and cooperatives to share resources and to ensure that all Floridians have access to the information and resources they need.

Mission: PLAN, a membership network of libraries and other information organizations, collaborates with many partners to provide leadership to improve access to information and to enable its members to address the region’s needs for education, economic development and improved quality of life.		2019/2020	2020/2021	2021/2022	2022/2023	2023/2024
